		Media Selective*	3		Media Selective*	3				
Total Credits			18	Total Credits			15-18	Total Credits		12-15

In order to meet UW Graduate School requirements, students must have successfully completed 72 (+) credits (400-level +).

The professional MLA program curriculum requires a greater number of credits (300-level +) to graduate.

Bold: Courses which should be taken that term or student will be out of sequence. Note that this is NOT a program requirements list.

* can be substituted by similar courses at 400+ level with approval from the Program Coordinator

** see Capstone guidelines for details

Students with previous graduate-level coursework or professional experience may be approved to enroll in more advanced course to substitute for some of the requirements.

Must earn at least 72 credits of 400+ level coursework. A waived course does not count towards credits earned.

For questions, concerns, and advising needs, please consult with the Program Coordinator (Ken Yocom; kyocom@uw.edu).
