# DRAWING LANDSCAPE

## Equipment and Supplies List for Hand Drawing Sessions

*Please purchase the following supplies and equipment prior to the first hand drawing class. Bring all supplies to the 1<sup>st</sup> class. All of these supplies will also be used during the Fall Quarter for LARCH 411 as well.*

---

<b>Small Sketchbook</b>	unlined, good quality, acid-free white paper, no smaller than 5"x7" <u>spiral</u> . <i>This sketchbook will be used for exercises and assignments in class. You will need to remove sheets from this sketchbook so spiral bound is important.</i>
<b>Large Sketchbook</b>	unlined, good quality, acid-free white paper, no smaller than 18"x24" <u>spiral</u> . <i>This sketchbook will be used for exercises and assignments in class. You will need to remove sheets from this sketchbook so spiral bound is important.</i>
<b>Vine Charcoal sticks</b>	Get 2 sticks, extra soft, thin vine, No. 2 <i>Harder charcoal, good for laying out drawings</i>
<b>Compressed Charcoal sticks</b>	Compressed charcoal sticks – <u>rectangular, not cylindrical</u> <i>Softer charcoal good for quick sketching, capturing texture and light/shadow.</i>
<b>Graphite Sketching Pencils</b>	Pick any brand, get an assortment of soft leads including at least HB, 2B, 4B <i>Pencils come in different lead hardnesses – the harder the lead, the lighter the mark on the paper; the softer the lead, the darker the mark on the paper 6H is the hardest – HB is the middle – 6B is the softest</i>
<b>Kneaded eraser</b>	Get 1. <i>Used for sketching, for erasing and blending Eraser can be "kneaded" to remove charcoal or graphite from its surface to "clean" it</i>
<b>White eraser</b>	Get 1. Recommend getting "staedtler mars plastic" <i>Used with sketching pencils and lead pencils. Erases cleanly.</i>
<b>Pencil sharpener</b>	Any type, but consider one small enough to carry and with a collector section for shavings.
