Central Campus

Central Campus is a hub of learning activity and knowledge sharing, and accommodates many academic and research facilities. Central Campus is home to the culturally significant academic core and is characterized by significant open spaces framed by a mix of historic and new buildings. The long-term vision for Central Campus:

- Maintains existing building heights.
- Provides additional capacity to support the University's educational, research and service missions.
- Concentrates new development at the periphery to minimize interference with the existing campus character.
- Enhances connections to West, South, and East Campuses.
- Creates an active edge along 15th Avenue.
- Enhances gateways.
- Preserves and enhances the character of the culturally significant setting and its significant buildings and open spaces.
- Creates an integrated network of pathways.
