BLA Honors Student Responsibilities

I will inform the BLA Program Adviser of any changes to this schedule the quarter before I intend to take each course. If the course I am planning to take is **NOT** a 500-level numerically graded course, I will fill out a BLA Honors Ad Hoc Contract the quarter prior to taking the course and submit it to the BLA Program Adviser. If I plan to take an independent study course, I will fill out a L ARCH 476/601 Independent study form the quarter prior to taking the course and submit it to the BLA Program Adviser. I am also responsible for completing the Honors portfolio requirement and submitting it to the BLA Program Adviser.
