**Required ISHIP Health Insurance for International students is \$1,200 for the academic year ([International Students - Financial Ability Requirement](#))

Estimated costs are based on [Student Financial Aid - Student Budgets](#). International Students should also reference financial information at [International Students - Financial Ability Requirement](#).

Health Insurance

Some [on-campus health services](#) are available for students.

U.S. Citizens: UW does not offer nor require health insurance for domestic students. Domestic students can seek coverage through [Washington Health Plan Finder](#).

International Students: International students are required by Federal and State laws to maintain health insurance, while studying in the United States. UW's International students are automatically enrolled for student-only coverage each quarter they register for classes. Learn more: [UW International Student Health Insurance Plan \(ISHIP\)](#) and [International Student Services - Health Insurance Requirement for International Students](#)

LENGTH OF PROGRAM

Master of Landscape Architecture program is offered as two tracks – MLA I (3-year track) and MLA II (2-year track). The MLA I is for students entering the MLA program without an accredited undergraduate degree in landscape architecture or architecture, as a first professional degree program. The MLA II is for students who have an accredited undergraduate degree in landscape architecture or architecture. Learn more: [UW//LA MLA Graduate Programs](#)
