RACIAL + SOCIAL EQUITY

Our Core Values:
 Care for the Earth
 Care for the People
 Fair Share for All

Non-violent Communication
 Sociocracy Governance Model

- Our Goals:**
- Provide free, organic, and culturally-relevant food to all
 - Provide a welcoming and authentic gardening space for the diverse communities of Beacon Hill
 - Foster consistent site maintenance and development from mainly volunteers
 - Construct increasingly accessible infrastructure
 - Establish long-term financial stability for the non-profit
 - Expand the cultivated land to the total 7 acres

Our Projects:
BIPOC Community Garden

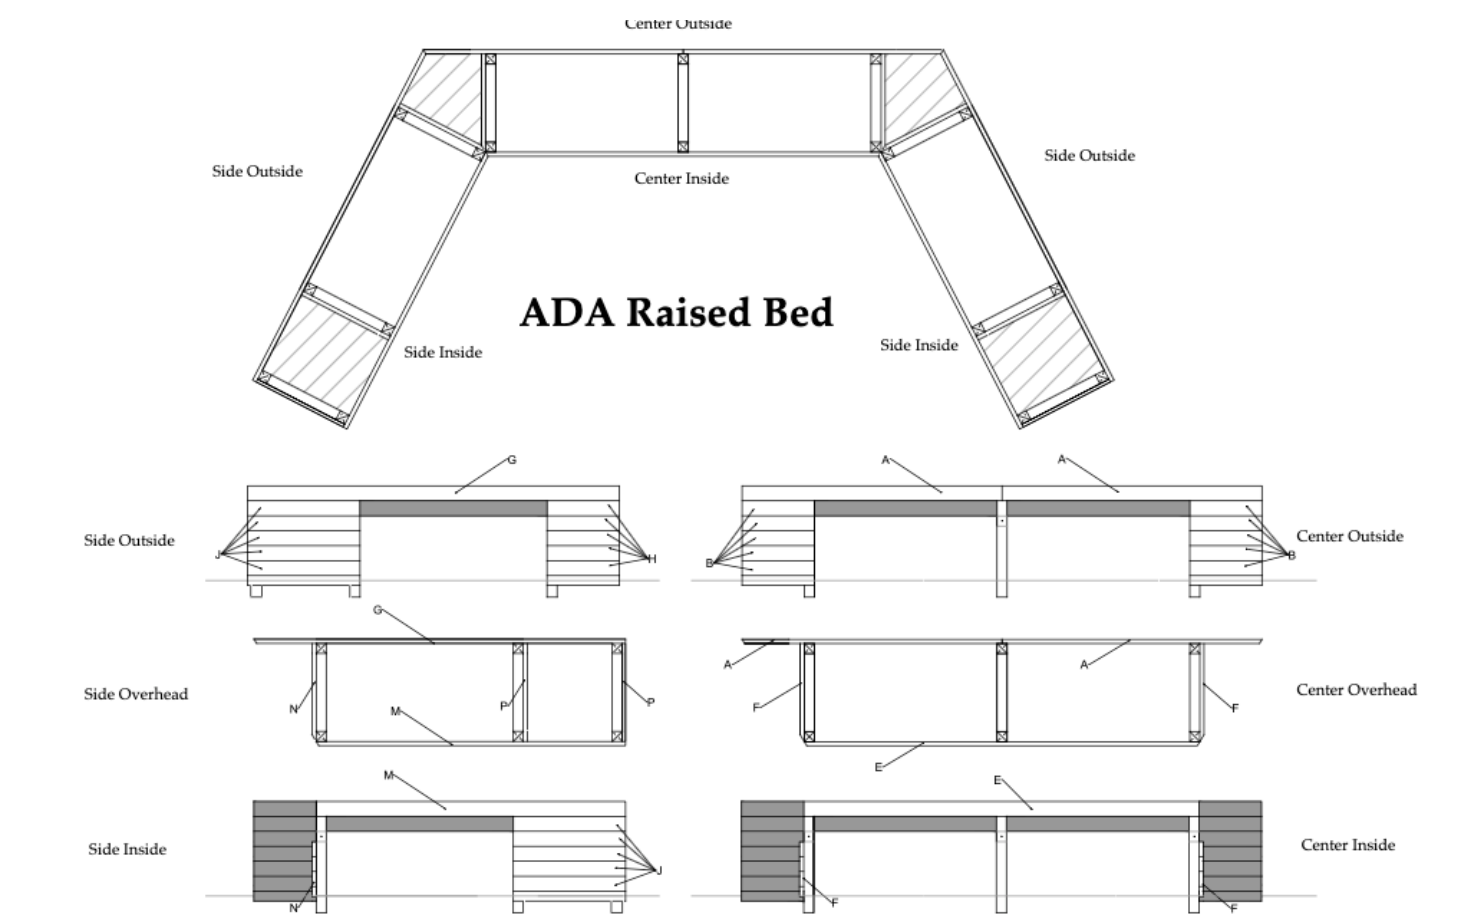

- Food Bank Plot, serving:**
- BIPOC Food Bank
 - Rainier Valley Food Bank

- BIPOC Land Shares, with:**
- Seattle Indian Health Board
 - Percussion Farms

- Seattle DON Food Equity Fund Grant, funding:**
- Two staff people
 - Expansion of site by 1-1.5 acres

ACCESSIBLE DESIGN

ADA-accessible raised beds, tool shed, vine trellises, and pathways

Multi-lingual Signage

**A BRIGHTER FUTURE
 FOR PEOPLE AND PLANET
 FROM THE HEART OF
 SEATTLE**

REGENERATIVE + RESILIENT

No pesticides, herbicides, fungicides, or chemical fertilizers

Recycled, salvaged, and bio-degradable materials like urbanite and burlap

Native wetland and prairie with wildlife habitat

Drought-tolerant, resilient, and climate-ready plantings
