**Required ISHIP Health Insurance rates for International students can be found here: International Student Health Insurance Plan (ISHIP) Insurance Rates.
Estimated costs are based on Student Financial Aid - Student Budgets.
International Students should also reference financial information at International Students - Financial Ability Requirement for the estimated total expenses for the Financial Ability Requirement for F-1 visas.

Health Insurance
Some on-campus health services are available for students.

U.S. Citizens: UW does not offer nor require health insurance for domestic students. Domestic students can seek coverage through Washington Health Plan Finder.

International Students: International students are required by Federal and State laws to maintain health insurance, while studying in the United States. UW's International students are automatically enrolled for student-only coverage each quarter they register for classes. Learn more: UW International Student Health Insurance Plan (ISHIP) and International Student Services - Health Insurance Requirement for International Students

LENGTH OF PROGRAM

The Master of Landscape Architecture program is offered as two tracks – MLA I (3-year track) and MLA II (2-year track). The MLA I is for students entering the MLA program without an accredited undergraduate degree in landscape architecture or architecture, as a first professional degree program. The MLA II is for students who have an accredited undergraduate degree in landscape architecture or architecture. Learn more: UW//LA MLA Graduate Programs
